Friends of the Home of Hope
Pooltopia

Dear Sandy

Home of Hope would hereby like to sincerely thank Pooltopia for its very generous donation and for its willingness to donate a further R100 for every pool that is installed; we truly appreciate your kindness and goodwill towards us. We would like to thank you for partnering with us, enabling us to give our children the absolute best that we can. Without your generosity Home of hope would not be able to maintain the level of care that we strive to give our children. We are humbled and privileged to have Pooltopia cover us with its goodwill and charity.

Your support is truly invaluable and even though these two words hardly seem sufficient in light of your generosity towards us; thank you.

Giving

To give as you have given takes a love hallowed by a special kind of grace.

After all, the lives they embrace now are shaped by those that move their hearts.

Children need the kind of love you have shown. On what you put into a child's life, they will build and become, undertaking only what they have seen.

From all the staff and children at Home of Hope we wish everyone at Pooltopia a blessed and prosperous 2011.

Kind regards

Marilize Mostert
